

**Directions to D.N.R./Aquatic Resources:** Visitor parking is available on the P-1 garage level. Visitors should pay at the meter-box and display their parking pass in the window of their vehicle. After entering the building from the P-1 Level, take the garage elevator to the first floor, proceed through the rotunda, past the main elevators, and down the long main hallway. Aquatic Resources is located at the end of the hall, where the Receptionist can help you.
